Report on the Financial Statements

We have audited the accompanying consolidated financial statements of A Kid's Place of Tampa Bay, Inc., a Florida not-for-profit corporation, and Subsidiaries (collectively, the "Organization"), which comprise the consolidated statement of financial position as of June 30, 2016, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of A Kid's Place of Tampa Bay, Inc. and Subsidiaries as of June 30, 2016, and the consolidated changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2016, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2016

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief description of the organization and a summary of its significant accounting policies consistently applied in the preparation of the accompanying financial statements follow:

1. Description of the Organization

A Kid's Place of Tampa Bay, Inc. is a state of Florida not-for-profit corporation founded in 2009 for the purpose of protecting and caring for neglected and abused children who have been removed from their homes. It's primary focus is to keep sibling groups together in a safe, stable, home-like environment until a more permanent placement can be provided. On July 1, 2015, Kids Charity of Tampa Bay, Inc. was combined into the operations of A Kid's Place of Tampa Bay, Inc. after approvals by the Board of Directors of each organization in order to better serve the community with a clear, concise message. Kids Charity of Tampa Bay, Inc. was subsequently dissolved (see Note J – Combination of Organizations).

2. Principles of Consolidation

The consolidated financial statements include the financial statements of A Kid's Place of Tampa Bay, Inc., A Kid's Place Children's Program, LLC, AKP 1813, LLC, AKP 1715, LLC, AKP 1339, LLC, and AKP Support, LLC (collectively "the Organization"). All significant inter-organizational transactions and accounts have been eliminated in the accompanying consolidated financial statements.

A Kid's Place Children's Program, LLC is a Florida limited-liability corporation formed in 2015 to carry out the mission of the Organization by protecting and caring for neglected and abused children that have been removed from their homes.

AKP 1813, LLC is a Florida limited liability corporation formed in 2015 to own and operate certain real property.

AKP 1715, LLC is a Florida limited liability corporation formed in 2015 to own and operate certain real property.

AKP 1339, LLC is a Florida limited liability corporation formed in 2015 to own and operate certain real property.

AKP Support, LLC is a Florida limited liability corporation formed in 2015 to maintain and steward investable assets not needed to fund current operations.

3. Basis of Accounting

These consolidated financial statements, presented on the accrual basis of accounting, have been prepared to focus on the Organization as a whole and to present net assets, revenues, and expenses based on the existence or absence of donor-imposed restrictions.

A Kid's Place of Tampa Bay, Inc. and Subsidiaries

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2016

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that limit their use. When a donor restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets (as defined above) and reported in the statement of activities as “net assets released from restrictions.”
- Permanently restricted net assets - Net assets subject to donor-imposed stipulations that will be maintained permanently by the Organization.

4. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

5. CBC Receivable

The State of Florida's Child Welfare System operates through Community-Based Care (CBC) organizations, lead agencies throughout the state. The CBCs, or lead agencies, contract with various providers to ensure foster children receive necessary services. As a residential provider, A Kid's Place of Tampa Bay, Inc., contracts with CBCs and is funded based on a daily rate for each child in its care. The Organization invoices the CBCs monthly, and considers such amounts to be fully collectable; accordingly, no allowance for doubtful accounts is required.

6. Contributions Receivable

Contributions receivable that are expected to be collected within one year are recorded at their net realizable value. Contributions that are expected to be collected in future years are recorded as contributions receivable at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is received. An allowance for uncollectible contributions is provided based upon management's judgement, including such factors as prior collection history, contribution type and nature of the fundraising activity. Management has determined that contributions receivable are fully collectable at June 30, 2016; accordingly no allowance was determined to be necessary.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2016

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

7. Beneficial Interest in Assets Held by Others

The Organization has transferred assets to a community foundation which holds funds for its benefit. When a nonprofit transfers assets to a charitable trust or community foundation in which the resource provider names itself as beneficiary, the economic benefit of the transferred asset remains with the resource provider. The asset received in exchange is a beneficial interest in assets held by others, measured at the fair value of the asset contributed.

8. Income Taxes

A Kid's Place of Tampa Bay, Inc. is exempt from income taxes under Internal Revenue Code Section 501 (c)(3) and qualifies for the charitable contribution deduction under Section 170 (b)(1)(A), and is not considered a private foundation. Accordingly, no provision or benefit for income taxes has been reflected in the accompanying consolidated financial statements. Management is not aware of any tax positions it has taken that are subject to a significant degree of uncertainty or would jeopardize its tax exempt status. Tax years after June 30, 2013 remain subject to examination by taxing authorities.

A Kid's Place Children's Program, LLC, AKP 1813, LLC, AKP 1715, LLC, AKP 1339, LLC and AKP Support, LLC are single member limited liability corporations and are disregarded entities for tax reporting purposes. All of their net income or loss is passed through to A Kid's Place of Tampa Bay, Inc. in fulfillment of its mission.

9. Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

10. Revenue and Expense Recognition

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Contributions, including unconditional promises to give, are recorded as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions whose restrictions are met in the same reporting period are treated as unrestricted.

A Kid's Place of Tampa Bay, Inc. and Subsidiaries

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2016

NOTE A - DESCRIPTION OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets (i.e. the donor-imposed purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

11. In-Kind Contributions

Donated goods and services are reflected in the accompanying consolidated financial statements at their fair value when an objective basis is available to measure such goods and services. For donated goods and services for which no objective basis is available to measure the value, no such contributions are reflected. A substantial number of volunteers have donated significant amounts of time to the Organization's programs and operations that are not reflected in the accompanying consolidated financial statements, as they do not meet the requirements of accounting principles generally accepted in the United States of America.

12. Advertising Costs

The Organization's policy is to expense advertising and marketing costs as incurred.

13. Functional Allocation of Expenses

The costs of providing the Organization's programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited, as shown in the statement of functional expenses.

NOTE B - CONTRIBUTIONS RECEIVABLE

Contributions receivable are summarized and due as follows at June 30, 2016:

Less than one year	\$ 141,490

Total gross contributions receivable	251,490
Less discount (effective rate of 3%)	<u>(9,463)</u>
Net contributions receivable	<u>\$ 242,027</u>

NOTE C - LAND, BUILDINGS, AND EQUIPMENT

Land, buildings, and equipment are valued at cost at the acquisition date and fair value at the date of donation. Assets are capitalized when the purchase price or estimated fair value exceeds \$5,000 and the estimated useful life is more than one year. Depreciation is computed on the straight-line method based upon the estimated useful lives ranging from three to thirty-nine years. Depreciation expense was \$124,583 for the year ended June 30, 2016.

A Kid's Place of Tampa Bay, Inc. and Subsidiaries

	<u>\$ 4,337,234</u>

NOTE D - COMMITMENTS AND CONTINGENCIES

Certain funding agencies reserve the right to examine records by terms of the Organization's contracts. In the event there is a determination on non-qualifying expenditures for which a payment has been made, the funding agency may demand a refund for the appropriate amount. Management of the Organization does not anticipate adjustments to be made for completed contracts closed out as of June 30, 2016. Accordingly, no provision for such a liability has been made in the accompanying consolidated financial statements.

NOTE E - RETIREMENT PLAN

The Organization sponsors a profit sharing plan under the provisions of Section 401(k) of the Internal Revenue Code. The Plan covers all eligible employees and the Organization may provide a discretionary contribution to the employee deferral account. The Organization provided discretionary contributions of approximately \$22,000 for the year ended June 30, 2016.

NOTE F - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents, grants receivable, gift cards and prepaid expenses. The Organization manages its risk with cash and cash equivalents through the use of high credit worthy financial institutions. All cash accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2016, approximately \$782,000 of cash and cash equivalents are not insured. The Organization has not experienced any losses from its deposits.

NOTE G - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets are restricted to investment in perpetuity. Permanently restricted net assets consist of an Endowment Fund with a permanently restricted balance of \$300,006 at June 30, 2016.

A Kid's Place of Tampa Bay, Inc. and Subsidiaries

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2016

NOTE H - ENDOWMENT NET ASSETS

In accordance with FASB ASC 958-205-50 "Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures of All Endowment Funds," the Organization has established a permanently restricted endowment fund. This fund is invested in accordance with the investment policy of the Organization.

Changes in the endowment's net assets are as follows for the year ended June 30, 2016:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets at June 30, 2015	\$ -	\$ 12,360	\$ 293,056	\$ 305,416
Endowment contributions	-	-	6,950	6,950
Endowment distributions	-	(15,694)	-	(15,694)
Interest and dividends	-	17,204	-	17,204
Realized and unrealized loss on investment	-	(25,980)	-	(25,980)
Endowment net assets at June 30, 2016	<u>\$ -</u>	<u>\$ (12,110)</u>	<u>\$ 300,006</u>	<u>\$ 287,896</u>

The temporarily restricted balance at June 30, 2016 represents investment losses related to permanently restricted endowments.

NOTE I - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification* 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement), a middle priority to quoted prices for similar assets or liabilities (level 2 measurements), and the lowest priority to unobservable inputs (level 3 measurements).

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for significant assets measured at fair value at June 30, 2016:

Beneficial interest in assets held by others: Consists of funds held by a community foundation. The beneficial interest is not actively traded and significant other observable inputs are not available. Thus, the fair value is equal to the value reported by the trustee.

A Kid's Place of Tampa Bay, Inc. and Subsidiaries

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

June 30, 2016

NOTE I - FAIR VALUE MEASUREMENTS - Continued

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents financial assets measured at fair value on a recurring basis as of June 30, 2016:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Beneficial interest in assets held by others	<u>\$ 287,896</u>	<u>-</u>	<u>-</u>	<u>\$ 287,896</u>
Total	<u>\$ 287,896</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 287,896</u>

The following illustrates a rollforward for all assets and liabilities measured at fair value on a recurring basis using significant unobservable inputs (level 3) for the year ended June 30, 2016:

<u>Assets</u>	
Beneficial interest in assets held by others at June 30, 2015	\$ 305,416
Additions	6,950
Investment income	17,204
Realized and unrealized gains (losses)	(25,980)
Distributions	<u>(15,694)</u>
Beneficial interest in assets held by others at June 30, 2016	<u>\$ 287,896</u>

NOTE J - COMBINATION OF ORGANIZATIONS

On July 1, 2015, Kids Charity of Tampa Bay, Inc. was combined into A Kid's Place of Tampa Bay, Inc. after approvals by the Board of Directors of each organization in order to better serve the community with a clear, concise message. As a result of the combination, net assets totaling \$4,378,959 were transferred to the Organization and Kids Charity of Tampa Bay, Inc. was dissolved.

NOTE K - SUBSEQUENT EVENTS

The Organization has evaluated events and transactions occurring subsequent to June 30, 2016 as of December 1, 2016, which is the date the consolidated financial statements were available to be issued.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

June 30, 2016

NOTE A - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of A Kid's Place of Tampa Bay, Inc. and Subsidiaries and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because this schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types are not allowable or are limited as to reimbursement. Negative amounts shown in the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE C - INDIRECT COST RATE

The Organization has elected to use the 10-percent de minimis indirect cost rate under the Uniform Guidance.

NOTE D - CONTINGENCIES

These federal programs are subject to financial and compliance audits by grantor agencies which, if instances of material noncompliance are found, may result in disallowed expenditures and affect the Organization's continued participation in specific programs. The amount, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the Organization expects such amounts, if any, to be immaterial.

NOTE E - SUBRECIPIENTS

The Organization did not provide any federal awards to subrecipients.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Board of Directors
A Kid's Place of Tampa Bay, Inc. and Subsidiaries

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of A Kid's Place of Tampa Bay, Inc. and Subsidiaries (the "Organization"), which are comprised of the consolidated statement of financial position as of June 30, 2016, and the related consolidated statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 1, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED

Board of Directors
A Kid's Place of Tampa Bay, Inc. and Subsidiaries

Report on Compliance for Each Major Federal Program

We have audited A Kid's Place of Tampa Bay, Inc. and Subsidiaries' (the "Organization's") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2016. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
