2024 Calendar  
2022-23 Annual Report

## A KID'S PLACE OFFERS A UNIQUE & SAFE CAMPUS WITH 6 HOMES ON 6 ACRES OF LAND

*A Kid's Place provides a safe, loving, and nurturing home for foster children. Our residential program serves children from birth to age 18, who have been removed from their homes due to abuse, neglect, or abandonment. We provide a variety of services which meet the social, educational, medical, and psychological needs of each child. Our primary focus is to keep sibling groups together in a safe, stable, and nurturing environment until a more permanent placement can be provided. In 2020 we added a 6th home for young adults, ages 18-22, aging out of foster care.*

# WHAT MAKES US UNIQUE

## WHAT SETS A KID'S PLACE OF TAMPA BAY APART IS OUR COMMITMENT TO PROVIDING MORE THAN A SAFE PLACE TO LIVE.

We emphasize stability and normalcy, our approach leads to positive outcomes—from family reunification to improvements in physical, mental, and socio-emotional health—for the children we serve. The keys to our success include:

### Residential Care

*Brothers and sisters live together in one of five on-campus homes with “live-in” house parents trained in Trauma-Informed Care. Family-style meals, adventures, excursions, support at school events, and celebrations provide a loving, normal existence and foster meaningful family engagement, which is integral to the healing process.*

### Individualized Care Plans

*Internal and external case managers work together with House Parents, staff, and licensed professionals to create step-by-step plans to improve the physical, mental, and social-emotional health of each child, according to their needs.*

### House Parent Model

*A Kid's Place is based on a live-in House Parent Model that allows brothers and sisters to live on-site with house parents who provide a healthy and nurturing home. Family style meals, outings, support at school functions, medical appointments, and other day to day activities provide a loving and normal existence to foster children.*

### Independent Living

*With our Independent Living Program, youth participate in various training to include: personal health and hygiene, basic cooking and cleaning, financial literacy, employment, and volunteering.*

### Extended Foster Care

*Just because a child turns 18 doesn't mean they are able to achieve stability and success on their own. That's why we added a sixth home to serve 18- to 22-year-olds. At our Independent Living House, young adults live semi-independently near their younger siblings and get help developing the life and job skills they need to transition to full independence.*

## WE ARE PROUD TO LAUNCH BUILDING A BRIGHTER FUTURE CAPITAL CAMPAIGN

Through this campaign, we will construct a much - needed activity center. Building the center will enable us to more effectively serve the children in our care because it will create more opportunities to connect them to the people - house parents, families, peers, teachers, coaches, tutors, doctors, and community members - and services they need to grow, heal, and achieve success.

## WE INVITE YOU TO JOIN US AS WE BUILD A BRIGHTER FUTURE FOR THE CHILDREN WE SERVE.

- ♥ YOU can be the reason children get every opportunity they need to grow and heal.
- ♥ YOU can be the reason children learn the life skills they need to find success.
- ♥ YOU can be the reason A Kid's Place of Tampa Bay becomes a more comprehensive, effective solution for child welfare.
